

## **Job Description**

### **Caseworkers – Victims’ Services**

### **(covering Buckinghamshire delivery)**

**Salary £23,369**

**Full Time, 37.5 hours a week**

Thames Valley Partnership is an established registered charity of 27 years operating a range of support programmes across the three Thames Valley counties of Berkshire, Buckinghamshire and Oxfordshire. We have recently recruited a team of staff to run a new Victims’ First support service for adults across the Thames Valley, offering specialist support for adult victims and their families, providing them with crisis intervention, advocacy and longer term practical and emotional support.

This new provision, which commenced in April 2020, is commissioned by the Police and Crime Commissioner (OPPC) and is an amalgamation of three existing services, designed to cater for adult victims of crime with complex practical and emotional needs. This is an exciting opportunity for anyone with a variety of specialist skills in this area of work to operate in a holistic environment to support service users. You can retain your specialist skills, learn others and provide advice and support to colleagues.

We are delivering this service together with two delivery partners – Trust House and OSARCC. The successful applicant will be directly employed by OSARRC.

There are expected to be two main beneficiary groups of this service:

*i) those with multiple and/or historical experiences of crime* which may never have been addressed leading to mental ill-health and vulnerability to re-victimisation;

*ii) those who have had a severe and traumatic response to a single recent crime occurrence* and will need immediate crisis support, assessment and management of on-going risks, followed by a longer-term programme of care to prevent the experience of crime having a disproportionate impact on their day-to-day lives into the future.

Many of those referred to the service will have experienced sexual violence or criminal exploitation including modern slavery. The service is expected to be trauma focused while adopting restorative approaches. The multi partner delivery model will mean that slightly different employment models exist for each hub location – but the delivery of the service will be through Thames Valley Partnership.

We have a vacancy for a **Caseworker within our Buckinghamshire team. In order to meet the new contract requirements, we are looking for individuals who are currently hold an Independent Sexual**

**Violence Adviser (ISVA) qualification or who would be willing to work towards an ISVA qualification as part of the role.**

The team will be operating from offices in Buckinghamshire - although not necessarily expected to be office based as the work will entail being out and about in the given area dealing with service users in an environment they are most comfortable in. **The roles are for 37.5 hours a week although job share and flexible working may be available on request.**

**Postholder Reports to:** The Area Team Manager and the Service Manager, Thames Valley Partnership

**Role:** To provide prevention, intervention and crisis support to anyone who is/has experienced or is deemed to be at risk of any form of harm (i.e. sexual, modern slavery, criminal, financial) and to identify and engage with these individuals on a one-to-one basis, enabling them to access services and make positive, empowering choices to change their lives. A knowledge of the full range of civil, criminal and other practical support options available, and the role of an independent advisor within them is necessary.

**Overview of Key Tasks:**

- To provide crisis intervention & support to service users in a variety of circumstances.
- To manage a caseload of complex adult client cases, providing practical & emotional support.
- To conduct risk assessments, do case management & safety planning in partnership with other key agencies as directed by the Service Manager or Area Manager.
- To advocate in a range of settings on behalf of the service user.
- To help service users to make informed choices about their future options.
- To support throughout the Criminal Justice process or any civil proceedings as appropriate.

**Role Breakdown:**

**Crisis Intervention & Support:**

1. Staff will have flexible contracts and will be expected to work early evenings and weekends where necessary. There may be an on-call requirement for some elements of the service.
2. Work with Victims First teams to ensure holistic crisis intervention & support of new and existing clients on an ongoing basis.
3. Support vulnerable individuals at the point of crisis in their trauma, acting as an advocate where appropriate & liaising with key services and working with the police, if appropriate, to update and support any Criminal Justice processes.
4. Where necessary to support partner agencies such as police in the execution of warrants etc, by providing reception and crisis care and ongoing support.

**Case Management, Providing Practical & Emotional Support:**

5. Case manage a caseload of potentially complex cases as instructed by the Service Manager and Area Team Managers, prioritising time and working closely with the rest of the team to ensure continuity of support and a person-centred holistic approach.
6. Engage with the individuals that the programme supports by building trusting, enabling and empowering relationships, working to assess needs, set goals, agree actions and review requirements on an ongoing basis, using motivational interviewing skills.

7. Practical support: benefits, immigration, clothes parcels, arranging emergency accommodation or travel, booking appointments, advocating for service users and any other support, as needed by the individual including the delivery of safety plans.
8. Emotional support: listening, identifying appropriate models or approaches, referring to appropriate counselling, mental health services or restorative interventions.
9. Ensure that service users can access partner agencies or group activities to meet an identified need.
10. Build on existing good relationships with colleagues from other agencies that work in relevant fields in order to facilitate the goals of service users and promote empathy with the needs of our 'services user' group
11. Keep detailed records & update the client database, in accordance with policies and procedures (confidentiality, GDPR and key information etc.).
12. Follow the policies and procedures of the employing organisation.
13. Follow appropriate vulnerable adult protection procedures and legislation and child protection safeguarding policies.
14. Adopt a trauma informed approach when working with service users.
15. To operate with a restorative mindset and make full use of restorative options and interventions when working with service users.
16. Any other tasks as instructed by the Service Manager or Area Team Managers.

**Safety Plan & Risk Assess Cases:**

17. In collaboration with the Service Manager and Area Team Managers, risk assess cases and create Safety Plans to manage the safety & needs of service users.
18. Liaise with key partner agencies to ensure that Safety Plans include all appropriate measures for client and staff safety, taking recommendations from Thames Valley Police, Local Authorities & other key partners.

**Awareness-Raising & Training:**

19. Attend relevant training in order to disseminate to other staff and if necessary, provide awareness training to others.
20. Share specialist knowledge with team colleagues as appropriate.
